Good Safety Record Earns Municipal Refund

The Municipal Worker's Compensation Fund, sponsored by the Michigan Municipal League, is returning refunds of \$1.2 million to its members, this week. The Fund members are cities, villages, townships, counties, and public agencies throughout Michigan.

The city of Grayling had \$1,686 returned and the Grayling Housing Commission had \$131 returned.

This is the tenth consecutive year in which the Michigan Municipal League Fund has distributed surplus to its members. The total amount of surplus distribution since inception of the program has been \$23,896,908.

The non-profit self-insurance Fund collects sufficient premium to pay required benefits to injured employees of Michigan governmental units and returns premium and investment income not needed to pay claims and maintain prudent reserves. The surplus is distributed on a pro rata basis to the members based upon the amount of each member's premium contribution.

Schools Close Early Tuesday

Crawford AuSable Schools will close early Tuesday, Feb. 14 for teacher inservice. The elementary schools will close at 12:15, the middle school closes at 12:30, and the high school closes at 12:45 p.m.

U.S. Postal Stamps Available at Glen's

A joint program between the United States Postal Service and Glen's Markets will allow the public to purchase postage stamps at face value, from any Glen's Market, 24 hours a day. Beginning Feb. 1 a customer can purchase \$5.00 booklets at the Grayling Glen's.

ABWA Offers Scholarships

The educational committee of the Grayling Chapter of American Business Women is accepting scholarship applications beginning February 20, 1989. Two \$600 scholarships will be available for tuition and books for college or other post secondary education.

Applicants must be women residents of Crawford County who are seeking either a business or professional career. Single or married women may apply. Scholarships for students who are entering their first year of study at a two or four year institution will be awarded the scholarship after completing the first semester or term and proof of enrollment in the second. Graduate student scholarships will be awarded upon presentation of a paid tuition statement.

Application forms will be available beginning February 20, 1989 from: Betty Bennett, Crawford County Courthouse, 348-2841, Maxine Gelss, Keyport Clinic, 348-6611, Sharon Niebrzdowski, Chemical Bank North, 348-6511, Sr. Adrian Davis, Mercy Hospital, 348-5461, during regular business hours.

Grayling Elementary Schools

Kindergarten Round-Up Feb. 22-24

Registration for the Grayling Elementary 1989-90 Kindergarten Class will be held on February 22, 23, and 24. Children who will be 5 years of age on, or before, December 1, 1989 are eligible to enroll for kindergarten.

Registration will be by appointment only from 9:00 to 11:30 a.m. and 1:00 to 3:00 p.m. on Wednesday, Thursday, and Friday (Feb. 22, 23, 24). Please call the school (348-7641, ext. 46) to schedule your appointment. We will begin scheduling of appointments on February 10th. If you are not able to attend registration during the "Round-Up" days it is extremely important that you contact the school immediately to discuss other arrangements for enrollment of your child.

All children entering school must be up-to-date with immunizations, have vision and hearing testing, a physical exam, and produce a certificate of birth. Clinics for vision and hearing screening and physical exams will be scheduled by the Health Department for all children who have registered for school. Immunization clinics are held monthly at the Health Department.

Please bring your child's immunization records and a birth certificate for registration. If you do not have these documents but intend to enter your child in school in September, please call the school at once.

Landfill Eyes \$10 Million Recycling Center

By Irene Pettyjohn

To recycle or not to recycle is no longer the question.

According to John Miller, Executive Director of the Crawford-Otsego Recycling Center and Landfill, recycling is a must.

"The expense and long term effects of burying solid waste is just too costly," Miller stated.

Each time a trench at the landfill is filled and capped, and a new trench is dug and prepared with vinyl liners and pipes, it costs taxpayers approximately \$83,000. At the present time, these trenches are being filled every 60 days. Miller believes that it is possible that through recycling and incineration 90 percent of this solid waste could be eliminated.

With this goal in mind, Miller and the Crawford-Otsego Landfill Authority are proceeding with their plans to build an \$8-10 million recycling and incineration complex. This complex, to be built on the corner of County Road 612 near the I-75 Frederic exit, will have the capability of recycling about 30 percent of household refuse. This will include scrap metal, tin and aluminum cans, newspaper and cardboard, and all types of plastic. The remaining 70 percent will be

incinerated and reduced until only 10 percent of the initial garbage brought to the complex is left in the form of ash. This ash will then be transported to the landfill for burial.

Miller anticipates that groundbreaking will occur in the spring, with actual recycling to begin in two years.

In the meanwhile, the question of recycling, or more specifically how the average household can participate in the recycling process appears to be difficult question to answer. Difficult because the answers are expensive and inconvenient.

At the present time, the only way residents interested in conservation can dispose of their recyclables is to separate the items and then take them to the Crawford-Otsego Recycling Center and Landfill, 13 miles north of Grayling. This is both costly and inconvenient.

Miller said that recyclable trash that is separated and set out for weekly garbage collection is all thrown into the back of the garbage truck. The only exception is newspapers that have been securely bound. Miller said that most garbage collectors will put

AT&T Burying Cable At Edge of West 72

By Irene Pettyjohn

Crawford County residents living along the west side of West M-72 are experiencing the bittersweet reality of advanced technology.

Several subcontractors for AT&T have been cutting tress, digging trenches, and burying duct work in preparation for the placement of fiber optic long distance cable.

Because AT&T negotiated to bury their cable at the far edge of the highway right-of-way, and because the right-of-way varies from 33 feet from the highway's centerline to 100 feet, trenching has come within 10 feet of some residents' front doors.

AT&T chose to bury at the edge of the right-of-way to protect their cable from possible future road expansion, and to reduce the chance

of damage from other utilities and agencies burying cable.

The current M-72 trenching project is only one part of a three part AT&T fiber optic cable project.

The first phase involves a long distance cable from Saginaw to Grayling, which actually connects Grayling to Lansing. This cable enters the new P.O.P. (Point of Presence) office on Hanson Street in the Industrial Park. All calls from the 517 area code going outside the 517 area will be processed through the Grayling P.O.P. office. Communications technicians Jim Oost, from Flint, and Bob Kronberg, from Petoskey, will man this office.

The second phase involves cable connecting Grayling and Traverse City.

*\$350 in Prizes

Medallion Hunt Starts Friday, February 10

Prizes worth \$350 will be offered in the Grayling Wintertime Medallion Hunt starting Friday, Feb. 10.

One large medallion and eight smaller medallions have been hidden in Crawford County. The person who finds the big medallion will win two dinner-theatre tickets at the Grayling Holiday Inn for the Feb. 17 performance plus a night's free lodging for 2 at the Holiday Inn.

The eight smaller medallions are worth \$30 each in gift certificates from Davis Jewelry, 7-Eleven, Buccilli's Pizza, Chief Shop-nagons, Spike's Keg O'Nails, Main St. Florals, Weaver's Gifts, and Delights Chicken and Fish.

This is the sixth year in a row for the Medallion Hunt. The five previous years it was associated with the Grayling Winter Sports Carnival. It was dropped by the Winter Carnival Committee this year.

Mike Shearer, who organizes the hunt, said he hopes to find a sponsor for a \$500 cash prize for next year. The last four years the hunt had a \$500 first place prize.

The medallions are hidden in Crawford County on public property. Clues will be given out twice daily on Grayling FM radio station WQON-100. Listen to WQON for details on when the clues will be given out.

No private property has to be

crossed to find the medallions. Anyone except WQON and Avalanche employees may find the medallions. There is a limit on the number of small medallions members of one household may find. The limit is one small medallion for each household.

Medallions may be turned in at the Avalanche during regular hours 8:30 a.m.-5 p.m. Monday-Friday. The finder of the big medallion should call the Avalanche (348-6811) immediately during these hours or Mike Shearer (348-2088).

No digging or dangerous acts are required to find the medallions. Copies of the clues are available at the Avalanche during business hours.

Previous winners and locations of the big medallion were: Donna Levitt, Keystone Landing; Don Ashton and Monica Stephan Ashton, Cameron Bridge area; Gerald Casey, Camp Grayling entrance; Steve Southard, behind Grayling Elementary; Thomas Miller, near intersection of M-18 and F-97.

The large medallion says Grayling Wintertime Medallion Hunt and the small medallions have the names of sponsors on them. There is a code number on the big medallion to avoid duplication.

The hunt last six days from Feb. 10 to Wednesday, Feb. 15.

REFRESHING -- Pete Kocefas was the first one in Saturday at the Polar Bear Plunge into the AuSable River at the city park. The temperature was nine degrees with a bitter wind to add to the chill. More photos on page 18 (Photos by Jim Adams and Bobbi Horn)

Lack of Snow Hurts Carnival Turnout

It was cold enough for a winter carnival last weekend but a lack of snow cancelled several events for the 64th Annual Grayling Winter Sports Carnival.

Icy conditions at Hanson Hills closed the park to downhill skiing for the weekend. The downhill canoe race, furniture race, inner-tube races, and downhill ski races scheduled for Sunday were cancelled.

On Saturday, the Up The Downstream Canoe Race, Polar Bear Plunge, and Snow Volleyball tournament were held despite temperature in the low teens.

In the canoe races, Nancy and Don Brooks won the parent-child division. Shannon Oda and Tim Hohl won the mixed division and Eric Swander and Tom Brooks won the open division. The canoes raced from Ray's to the back bridge and then upstream back to Ray's.

At the Polar Bear Plunge, ten person jumped into the AuSable near the city park wooden bridge.

Several were repeat jumpers from last year's Polar Bear's Plunge. Among the plungers identified were Pete Kocefas, who broke the ice for everyone, Bill Hart, P.J. McNamara, Bud Ostrowski, Piper Ostrowski, Amy Denton, Chad Denton, Cheryl Pat, and Todd Hull.

In the Snow Volleyball tournament, the Avalanche team won first place and the "Spike Hanson" trophy.

The Avalanche team of Chris Schwartz, Piper Ostrowski, Becky Brown, Tim Zigla, Todd Hull, and Toni Williams beat a team from Cornell in a close final 18-14.

Cornell took 2nd place and a team from the Day Care center took 3rd. Other teams represented R & H Sports, Little Caesars, and there were two Miss Grayling teams.

The lack of snow cancelled a snow man building contest Saturday. The cold temperature kept attendance down at the Friday night parade.

Grayling Township Finds New Building an Asset

Grayling Township business has been conducted in the new township hall, located at 6539 West M-72, since the township completed their move on January 4th.

During the January 10th township meeting, Arnold Stancil, in his Supervisor's report, stated, "This move has ended a 24-year odyssey which began with the township discussing a new building or move on February 10, 1964." Stancil said that the township staff has received many favorable comments from those persons who have toured the facility.

"I am more convinced now than ever," said Stancil, "that this (the new township hall) will indeed be a

wonderful asset to Grayling Township in the forthcoming years and I am proud to have been a part of helping the township finally find a home."

Final purchase transactions were completed on Tuesday, December 20, 1988. Township offices were closed on January 2 and 3, while staff, volunteers, and several Camp Lehman inmates moved furniture and records to their new location.

Township Clerk, Monica Ashton, said that the new township hall offers many advantages over the Bear Archery Complex. Besides the beautiful surroundings and

AT&T Burying Cable At Edge of West 72

(Continued from page 1)

AT&T anticipates that these first two projects will be completed by the end of 1989.

The final phase, which is still in the planning stage, involves a cable from Traverse City to Grand Rapids.

Art Lambert, AT&T Supervisor, from Traverse City, explained that this "state of the art" technology will provide diverse routing should the cable between Grayling and Lansing become inoperable. It will also change AT&T's communication system from Analog to Digital Voice Path. Lambert said that to the consumer, this change will mean better communication. Data

will travel at a higher speed, with fewer errors.

Fiber optic cable contains many strands of thread-like glass. Lambert said that the glass in these strands is so pure, that if a window were to be constructed with the same glass and it were to be made 12 inches thick, there would be absolutely no distortion. It would look the same as looking out any ordinary window. This purity is expensive, as is the fine for anyone damaging the AT&T cable. Lambert suggests that anyone contemplating digging near the highway right-of-way contact Miss Dig to avoid costly mistakes.

Recycling Center

(Continued from page 1)

newspapers either in paper catchers, if the truck is equipped with one, or in the front of the truck.

Recycling will never catch on, stated Miller, unless inexpensive and convenient opportunities are provided for residents to dispose of their recyclable garbage. Drop-off centers must be established in locations near residential areas so that the long drive to the landfill can be avoided.

Miller emphasized that these drop-off centers need to be controlled so that abuses such as the dumping of all garbage does not occur.

Each time the Crawford-Otsego Recycling Center has placed drop-off containers, clearly marked tin,

newspapers, or plastic, in locations in Crawford and Otsego Counties, abuses have occurred. Miller said that these boxes have been found with all types of garbage, including dead animals.

Miller said that in order for the average household to participate in the recycling process major changes are going to require the participation and cooperation of city and township municipalities.

"Regional recycling centers must be controlled by the city or township in which it is located," said Miller. "Only when these governmental authorities take responsibility for their solid waste problems will recycling be possible for county residents," Miller stated.

KCC Honor Students

The following local students were named to the President's list at Kirtland Community College in Roscommon for the Fall 1988 semester: Grayling: Charles Engelhart, Karen Ross; Frederic: Carole Lademan.

To be named to the President's List, a student must carry a minimum of 12 credit hours

and maintain a 4.0 (straight A) grade point average for those hours.

The following local students were named to the Dean's List for the Fall, 1988 semester at Kirtland Community College: Grayling: Dennis Davidek, Darryl Gingerich, Michael Gizinski, Robert Gunther; Frederic: Joyce Kaiser.

To be named to the Dean's list, students must carry a minimum of 12 credit hours and maintain a 3.5 grade point average.

Grayling Township Finds New Building an Asset

(Continued from page 1)

quiet atmosphere, Ashton said these advantages include temperature zoning for each office, additional space which she explained was sorely needed, and a fire-proof vault for security purposes.

Ashton stated that the 12'x14' vault provides secure storage for historical records, tax rolls, and election records, supplies and machines. She explained that following every election each township is required to secure some election results for as long as 22 months. If these records are somehow lost, the township could be required to repeat the election. Other election materials and township general ledgers must be kept indefinitely, or until the State Archives asks for the documents or releases them for disposal.

Other township documents that need to be kept secure include the minutes from zoning boards, planning commissions, and township meetings. Stancil said that Gray-

ling Township has handwritten township minutes that date back to 1874.

"Township employees have worked many hours of their time to insure that the change of location was accomplished as efficiently and as inexpensively as possible," Ashton said.

Grayling Township officers are attempting to locate historical pictures, local art depicting life in Grayling Township past and present, and pictures of past township officers for placement in the township hall. Anyone wishing to donate pictorial history is asked to contact Grayling Township.

An open house, scheduled for early May, is being planned so that Grayling Township residents and neighboring township residents can tour the new facility. The open house is being scheduled in the spring to enable residents who spend their winters in a warmer climate to participate.

AT&T CABLE-- A new AT&T cable is being buried along the edge of West M-72 from Grayling to Traverse City. Work is taking place just west of Grayling.

Letters to the Editor

Alcohol Is a Drug

The recent shooting incident in our community adds another to the growing list of local people who have committed (or intended to commit) felonies while under the influence of alcohol. And yet people continue to remark, "I

can't believe he or she could do such a thing... he or she didn't use drugs!"

Alcohol is a drug! When will we believe?

I believe.

Gail Smith

Roscommon

Group Seeks To Save 915 Huge White Pines

Letter to the Editor: The Estivant Pines Nature Sanctuary south of Copper Harbor was established in 1973 after a three year state-wide campaign by the Michigan Nature Association (MNA) to raise the money needed to save virgin white pines up to 500 years old. It is a living museum of 120-150 foot tall pines at the tip of the Keweenaw Peninsula.

No doubt some of your readers have walked in The Pines Sanctuary, as from 3,000 to 6,000 visitors go there annually. Their popularity has spread throughout Michigan and the Midwest by word of mouth. No admission is charged and no one signs a register.

An emergency has developed and MNA needs to get the word out — fast — that in the next 90 days money must be raised to buy the only other white pines remaining around the sanctuary or they will all be cut down. \$100,000 for 80 crucial acres is what the company owning them wants. MNA has already raised over half that amount from its members. About \$40,000 more must come from smaller donations, the backbone of MNA success, in the next 90 days. An individual, family, school class, company, or organization may give. Memorial gifts may be sent in any amount from \$10 to \$5,000 in honor of a

loved one. All contributions are Federally income tax deductible.

In the present sanctuary are 915 white pines, Michigan's state tree, in 22 groves. Now 542 more, all that are left that could ever be added, can be saved from cutting.

This is the last chance ever to enlarge the sanctuary.

Our address is below. Please write and request the free brochures which explain the situation.

Michigan Natural Association, Box 102, Avoca, MI 48006 or write, SAVE THE PINES, Copper Harbor, MI 49818.

40,000 Sign Petition To Save T.C. Hospital

Open Letter to: Governor

James J. Blanchard

Enclosed you will find Forty-Thousand-Three-Hundred-Plus (40,300+) signatures of citizens who want Traverse City Regional Psychiatric Hospital to remain open. We wanted to present these to you personally, but were unable to obtain an appointment with you.

We believe that Public Service to the mentally ill in Northern Michigan is a significant issue. Traverse City Regional Psychiatric Hospital (TCRPH) has traditionally helped thousands of people with emotional problems over the past one-hundred-three (103) years. At a time when many state institutions are under scrutiny, TCR-

PH stands out as a quality facility. It appears an odd choice for demolition in a state that is attempting to enhance and defend its mental health services public image.

There are many interested in our demise to prove their own philosophical point of view, to save face, to obtain invaluable property and buildings worth millions of dollars as well as to enhance their own service industry. This is being done at the expense of the public. The ordinary citizens, the consumers, and the Community Mental Health (CMH) case managers who work directly with TCRPH recognize it as a vital service they respect and can rely upon under any conditions, at any time.

Thus, with the preceding situations these signatures were easy to obtain.

We hope that you will give very serious consideration to this petition... as well as to the consequences of the impending and unnecessary closure of Traverse City Regional Psychiatric Hospital.

We cannot comprehend why a Democratic Governor is more interested in the Grand Traverse Resort than in public services to the most helpless and needy members of our society. Please respond to our request.

Sincerely,
Jean Zeits,
Chairman Petition
Committee
Concerned Citizens for
TCRPH - People for
Quality Care

Impression of Grayling Was An Unpleasant One

Dear Editor,

We feel the need to write as we are certain that somewhere in Grayling there are people concerned about the growth and outside opinions of your community.

Feb. 4 and 5 we were in an Arts and Crafts show in Grayling Trade Center. We paid higher than average booth fees, which was no problem if the show had been as promised.

Our clients were charged 50 cents to come in the door - a non-voluntary donation to "Jerry's Kids" at a time when the telethon was not even being done. That is not done at well known, respected shows.

The owner left large tables of used books and flea market items covered with dirt right in the main entry.

Some artists left after the first day. In an empty booth he brought in a circus gypsy to read palms for \$10. We have nothing against the lady, but such belongs in a carnival.

When we approached the owner in a nice, businesslike manner about our feelings he was extremely rude and turned his back without even hearing us out. It appears that as long as he makes money, he really doesn't care if he does it in a respectable manner.

I'm sorry to say my impression of Grayling was an unpleasant one, and I cannot honestly

refer the center to anyone else.

It's a shame to have such a party giving your town a poor reputation.

Sincerely,

Nona Paluils, Clare and Shirley Ringle, Mary and Stan Crafts, Cyndi Slinnette, Osceola, MI, Mary Ann Larrall, Shirley Conrad, Curran, Cindy Van-Gogan, Wooden Goose, Bay City, M & M Ceramics, Brad L. Hildebrand, Country Patches & Threads, Bead Boutique Stone-ware, Larry and Jean Gotz, Dennis and Pat Thoyse, Heartwood Works, Cathy Cole, Traverse City, Wendy Johnson, Penny Burns, Lyle Farmer, Dolls by Sherrie, Sherrie Scott, Torch Lake, Liz Guset, Pine Tree Ceramics, Williamsburg, MI, Joanne Sommer, Manton, MI, Mary Donbraushy, Grand Lodge, MI, Tom Pollock, Traverse City, Maxine Taylor, Owosso, MI, Sue Flory, Lyle Mee-ler, Geraldine Nalezty, Bay City, MI.

Teacher Receives 'A' for Actions

Dear Jon:

I was pleased to receive a note from Mr. Stephan, a Chemistry teacher at Grayling High School, informing me that my daughter received an "A" in his class. He gave her credit for the hard work it took to achieve this grade.

I want to thank Mr. Stephan for taking the time to recognize his students for their achievements.

I'm sure our children are encouraged to

strive to continue to hold that "A" ...why?... because someone cared enough to take the time to recognize a student's effort.

Mr. Stephan, you get an "A" in my book for your act of recognition and for giving our children the incentive to do better.

I think letters like this pay off in the long run for teachers as well as their students.

Thanks Mr. Stephan,
Norma J. Naour

Opinions

Michigan Mirror

By Warren M. Hoyt
Michigan Press Association Director

Study Confirms Closure of Traverse City Mental Health Facility

An independent study released by the Department of Mental Health says the department's plan to close the Traverse City Regional Psychiatric Hospital (TCRPH) is "well within the bounds of reasonableness," but the plan may require modification.

The department announced in February, 1988, its intention to close the facility by October, 1989, on the basis that continued operation of the hospital could not be justified and satisfactory alternative arrangements for treatment of patients could be made available.

The independent study of the closure plan by Health Management Associates, Inc. of Lansing, as mandated by the Legislature, confirmed the department's contentions that the already reduced role of the TCRPH will continue to diminish. Continued operations will not be cost effective and certain reimbursement-related advantages associated with the use of other facilities for the provision of inpatient care will make additional resources available for the treatment of the mentally ill in northern Michigan.

Further the report stated the development of expanded community-based non-hospital services, which must be made available to treat patients who would otherwise be served at the hospital, can occur in a timely way and presents no obstacle to the closure.

Although the department is continuing to accept admissions to TCRPH, there are only 65 resident patients in a single building. During fiscal 1987-88, there were nearly 500 admissions with all but 65 now receiving alternative services through some 12 community mental health boards.

The staff at the facility is currently in the 200 range, down from 240 as of October, 1988. Approximately half of the total are direct nursing personnel with the remaining half comprised of psychiatrists, psychologists, therapists, social workers, clerical and data workers and maintenance.

At its peak, in the late 1950's and early 1960's, the facility had nearly 3,000 resident patients with the staff numbering over 1,000.

Almanack

By Richard Milliman
Avalanche President

Blanchard is soft on Bush

MAYBE IT'S THE honeymoon aura maybe it's just a relief from politics of the past maybe it's a tribute from one government official to another.

As Gov. James Blanchard opened the recent annual convention of the Michigan Press Association, he provided an appraisal of new President George Bush that sounded not a bit like a Democratic governor talking about a Republican president.

Gov. Blanchard came very close to wrapping Mr. Bush in an endorsement.

The governor, who is a former congressman and maintains close ties to his Washington past, told the Michigan newsmen that Democrats are "delighted that Ronald Reagan has left town," and also are "all very optimistic about George Bush," despite the number of "serious challenges left over from Ronald Reagan."

MR. BLANCHARD predicted that Mr. Bush would establish and maintain good relations with the Congress. He pointed out, for example, that Mr. Bush was elected to Congress the same year that Michigan Sen. Don Riegle first went to Washington, and "they used to play handball together."

"Congress sees George Bush as a former colleague ... as an insider," the governor said. "This follows 12 years of presidents from outside Washington."

He referred to former Presidents Reagan and Jimmy Carter, and noted that both of them campaigned against government; Mr. Bush, on the other hand, because of his vast background in government, is "the consummate insider," Gov. Blanchard said.

Blanchard commented that Mr. Reagan may have proposed the 50 percent pay hike for members of Congress to help Mr. Bush's relations with the Congress.

Following Mr. Reagan's endorsement of the pay raise, Mr. Bush has stated that he sees no reason to contradict the former president's stand.

GOV. BLANCHARD noted that President Bush has a wide range of tough problems to face, citing the national debt, huge interest payments on the debt, foreign trade, education, and the savings and loan crisis.

"George Bush faces a very diffi-

cult agenda," Gov. Blanchard said. "Let's give him a few years," Gov. Blanchard said, noting he is "the only president we have," and the United States is "the only country we have."

"We want it to work," Gov. Blanchard said, concluding that George Bush may well be "a kinder, gentler president."

Although Mr. Blanchard had nothing kind to say about Ronald Reagan, he had nothing but good things to say about his hand-picked successor, Mr. Bush.

The kindness and gentleness by Democrat Blanchard surprised most of the newsmen who heard him.

Whether this aura continues remains to be seen.

AS FOR MICHIGAN, Gov. Blanchard reported that Michigan is in good shape. Unlike many other states, he said, Michigan has no operating deficit. He said next year's spending plan calls for an increase of about \$200 million, or about 1.4 percent, with the increases primarily to meet the results of lower federal funding, plus a continued buildup of the state's prison system.

Because the crime rate has zoomed, Michigan has doubled its prison system in the last five years; this growth will continue for a while, then taper off, Gov. Blanchard predicted. He said our prison problems are the result of neglect in the past in dealing with pre-school, education and youth job problems.

The biggest problem Michigan faces — and it's the same in every major state, and the country itself, the governor said — is this:

"How do you offer love and hope and opportunity to the permanent underclass? How do you help and care for people who were not wanted and have never been loved?"

Michigan has been active in many areas, the governor noted, ticking off a list of Blanchard initiatives: neighborhood development, pre-school education, the Michigan education trust, job corps, health and drug abuse education, and creation of 600,000 new jobs in 10 years.

"It all adds up to a better future for a beautiful state," concluded the obviously upbeat governor.

Will he run again in 1992? He wouldn't say. But he sure sounded like it.

Northern Views

By Jon Thompson
Avalanche Editor

Okay, a show of hands please. How many of you have been to a GHS wrestling match this year?

How many have ever been to a GHS wrestling match?

One more question. Suppose the GHS basketball team had a great year that took them to the state finals. How many people from here would support them?

Since Grayling coach Don Ferguson started the GHS wrestling program in 1973, Grayling has been consistently strong. Forty six wrestlers from Grayling have gone to the state finals under Ferguson. Three GHS wrestlers have won state titles, Burt Partello, John Solomonson, and Barsie Cross.

Grayling has more state champions in wrestling than any other school north of Mt. Pleasant.

Fifteen of Ferguson's wrestlers won more than 100 victories while at GHS. Fifteen GHS wrestlers from Ferguson's program have gone on to compete at college and a

couple of them are now coaching.

The GHS team has placed as high as 3rd at the state finals, they've won two regional titles, two district titles, and three conference titles.

Ferguson has won 7 tournament coaching awards and has been regional coach of the year three times.

Currently, the GHS team is ranked 10th in the state and has one of the toughest wrestlers in the state. Brian Kernstock is ranked fourth in the state among all classes at 189 pounds but I would bet he could take on anyone in any weight class.

So let me ask you one last question. What more does this team have to do to earn a little more support from residents around here?

The Grayling matmen host the district team competition Wednesday, Feb. 8, and they host the regional team competition Wednesday, Feb. 15. The action starts at 6 p.m. both nights.

"At first I didn't want to talk about our
funerals. But, now I'm glad we did."

We chose ForethoughtSM funeral planning

It's one of those things that's so easy to put off, put out of your mind. And I guess that's what I was doing. But, once he started asking me questions about how I wanted my funeral to be, I realized how important it is for the people we leave behind to know these things. He had no idea that I wanted a simple eulogy, and just that discussion alone started us on all sorts of other topics. I found out he doesn't like organ music. We even had a few laughs.

Forethought is funeral planning... before the need arises

I thought planning our funerals together would be a terribly sad thing. But, actually, it brought us both a great sense of relief. Now we know neither one of us has all those decisions facing us in the future and we won't have to second-guess whether we did the right thing...did what the other one would have wanted. It's all planned and even paid for with the Forethought life insurance policy designed and approved specifically for Forethought funeral planning. And, there's a policy available to anyone up to age 100. There's a real peace of mind that comes with having it taken care of ahead of time with Forethought.

Grayling Advances 10 Wrestlers

Jason Wright

Brian Kernstock

Terry Sorenson

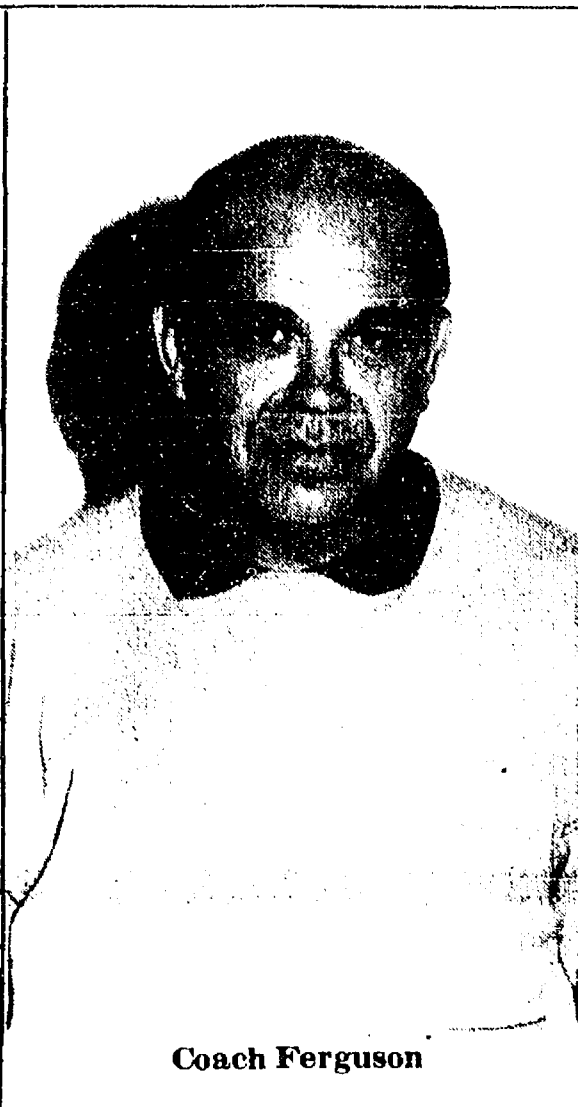

Chad Broeker

Frank Wildfong

Andy Moore

Coach Ferguson

John Gay

Rusty Argue

Denny Springer

Todd Thorsen

The Grayling Matmen set a new GHS record on Saturday, Feb. 4, when the team qualified 10 wrestlers for the individual Regional Tournaments in Ithaca next Saturday.

Twelve boys attended the district tournament held in Coleman and 10 qualified for regionals by finishing in the top four places in their weight categories.

Grayling was one of 14 schools competing at Coleman.

First place winners were Jason Wright, 135 pounds, and Brian Kernstock, 189.

Second place went to Terry Sorenson, 119, John Gay, 160, and Rusty Argue, 171.

Third place went to Chad Broeker, 103, Frank Wildfong, 125, and Denny Springer 145.

Fourth place went to

Andy Moore, 112 and Todd Thorsen, 152.

Jamie Montoya was ill and unable to compete.

GHS qualified the most wrestlers for regional competition, edging out Pine River who sent 7 on.

Coach Don Ferguson said that one of the teams Grayling competed against at Coleman, Clare High School, is now coached

nesday, Feb. 15.

Mike Branch, athletic director for GHS, presented the Grayling matmen and coach Don Ferguson with the Michigan Huron Shores Conference Championship trophy during a half time ceremony at the GHS-Petoskey game Friday. This is the second year in a row that Grayling has won the league title.

by Tim Ferrigan, a GHS wrestling team alumni.

On Wednesday, Feb. 8, at the GHS gym the matmen will host the team district tournament. Grayling will wrestle Whittemore-Prescott and Roscommon will face Tawas. The winners of these matches compete for the district title and advance to the regional tournament held in Grayling Wednesday, Feb. 15.

First Place Petoskey Outlasts Grayling 71-49

The Vikings played three good quarters of basketball against Petoskey Friday night, but suffered a poor fourth quarter and lost the game, 71-49. Even having the home court advantage could not compensate for the damage Grayling's 22 turnovers had on the final score.

Petoskey came to the game in possession of 1st place in the conference.

Coach Tom Mills credited Grayling with playing three good quarters, both offensively and defensively. He also said that the team has improved their free throw average. Grayling has been shooting 45 percent from the line but for the last two ball games has averaged 70 percent.

Mills said that Petoskey shot extremely well from the three point range.

Grayling attempted to pressure McFarlane, Petoskey's 3-point

wizard, but to no avail. McFarlane seemed to be able to score regardless of his position or Grayling's press.

Junior Jim Abney had a strong second half, taking high scoring honors with 12 points. Other points were scored by Jeremie Mead 11, Kraig Hudson 8, Chad Bonamie 6, Chris Skidmore 4, Kirk Annis and Brian Palmer 3, and Ted Baynham 2.

Abney led the team in rebounding with 12. Baynham and Annis each had 8 rebounds.

Grayling lost a close game on Tuesday night to Charlevoix, 59-54.

Mills described the game as "close throughout the contest." He said that Grayling has several opportunities, but costly turnovers (23) prevented the team from gaining the victory.

"The team played hard," said Mills, "and were able to frustrate Charlevoix with out

defense."

Jim Abney was high scorer with 16 points. Other points were scored by Ted Baynham 11, Jeremie Mead 10, Kraig Hudson 7, Chad Bonamie and Chris Skidmore 4 each, and Kirk Annie with 2.

Abney also led the team in rebounding with 14 and 8 blocked shots. Ted Baynham was credited with 7 rebounds.

Skidmore and Hudson had 4 assists each.

Grayling played Roscommon on Tuesday, and travels to Rogers City on Friday, February 10th.

Coach Mills said that Grayling has an excellent opportunity to win at Rogers City. Rogers City beat Grayling by 3 points when the two teams met in December, but Mills said that if Grayling continues to play as well as they have been playing, they have a good chance to beat them.

JV's Beat Petoskey

The Grayling J.V.'s split their games last week, winning against Petoskey on Friday night 42-30, after losing on Tuesday to Charlevoix 65-49.

Leading scorers Friday night were Shane Fraser with 17 points and Jay Mertes with 16. Together these two scored 33 of the total 42 points.

Mertes led the team in rebounding with 11. Fraser had 9, Dana Mirate 7, and Matt Branch and Jim Smith each had 6.

Fraser was credited with 7 steals.

During the first half Petoskey played a zone defense and Coach Hayes said that Grayling just did not shoot over the zone. Grayling shot 5 of 29 from the floor and Petoskey was 6 for 18.

During the 3rd quarter Grayling scored 15 points to Petoskey's 6 points and took the lead. Grayling was able to maintain the lead the rest of the game.

Hayes said the key to Grayling's 2nd half

success was that Petoskey went to a man-to-man defense, and the team got some excellent picks from Tony Jones to open everyone up.

"Shane Fraser and Jay Mertes attacked the basket throughout the 4th quarter," said Hayes. "Fraser was 6 for 6 from the free throw line and Mertes scored 14 points in the 2nd half."

Hayes attributed several factors to the Tuesday night loss to Charlevoix. He said Charlevoix outshot Grayling from the floor, outscored them from the line, and were generally quicker than Grayling. Hayes said that Charlevoix's press rattled Grayling causing the team to turn over the ball 18 times.

Leading scorers were Matt Branch 21, Mirate 10, and Fraser with 6. Branch had 6 rebounds. Mertes, Fraser, and Mirate each had 4 rebounds. Tony Jones had 3 steals.

Klondike Canoe Racers Set to Paddle AuSable

Klondike canoe racers will take on the AuSable and cold weather Saturday, Feb. 11.

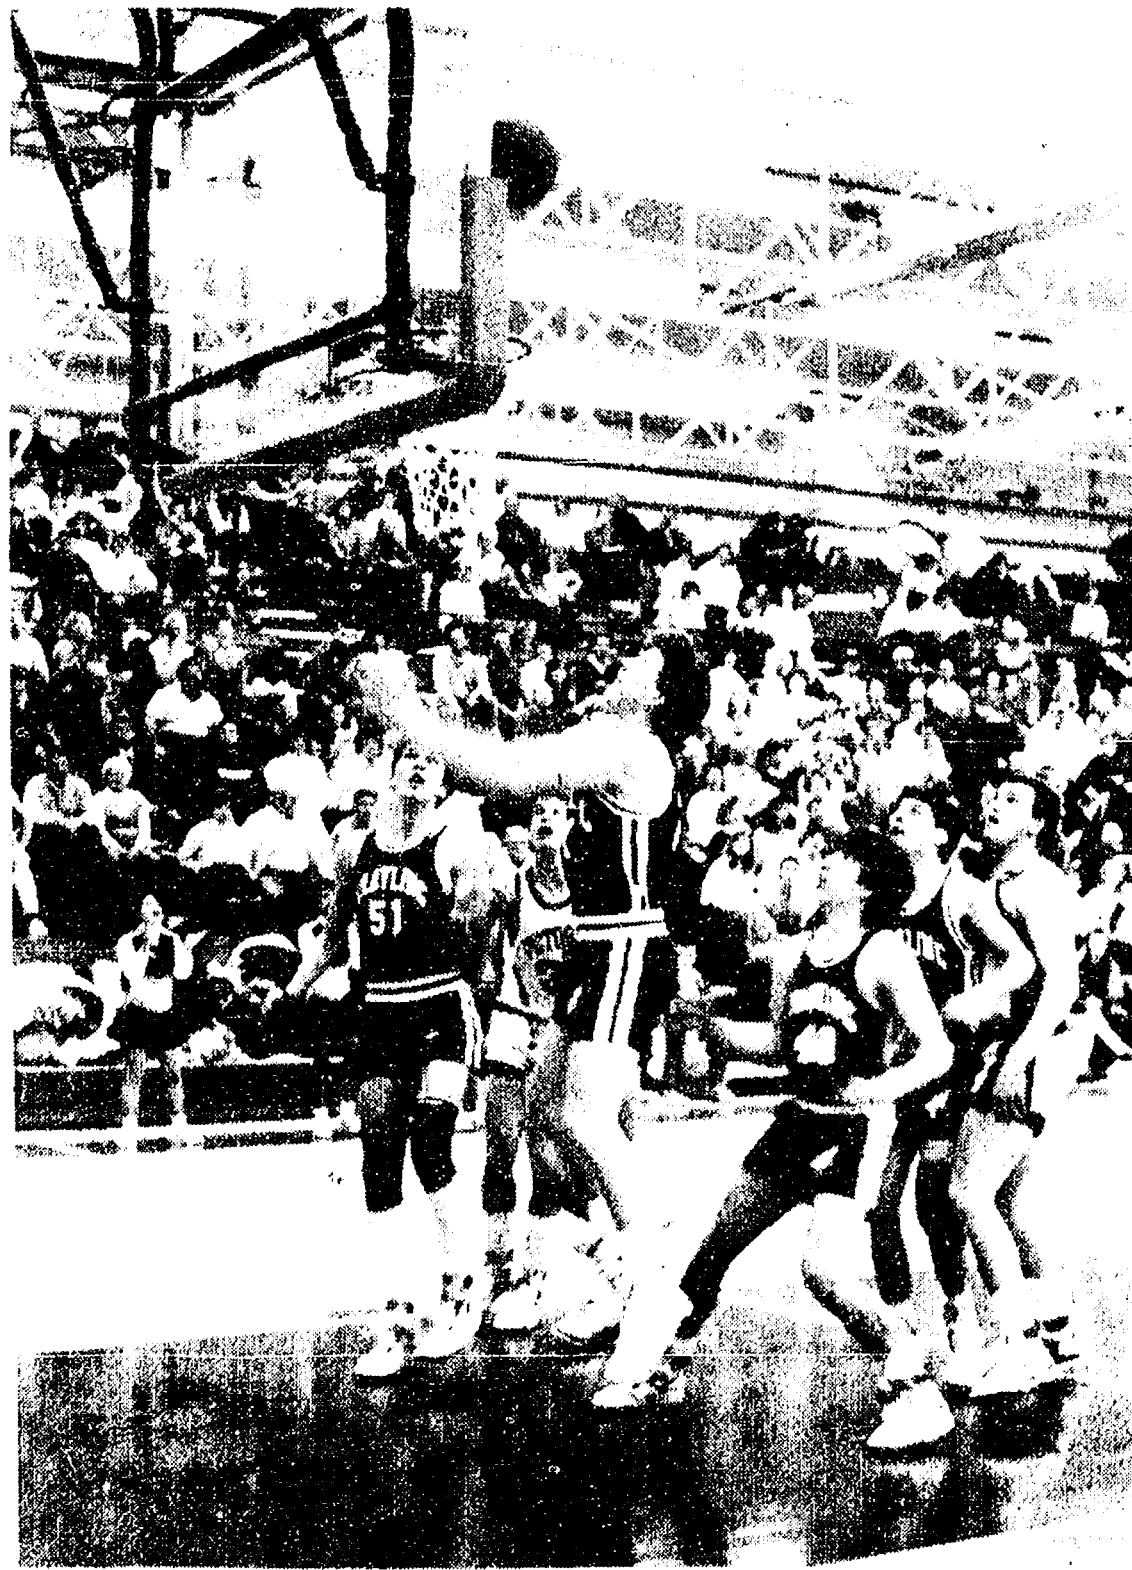

Registration for paddlers is 11:30 a.m. and the race starts at noon. The 10K race will travel down to the old Spider Cut and back upstream to Ray's, the starting point.

Prizes will be awarded and the race is open to all paddlers.

Grayling Volleyballers Defeat Charlevoix in 4 Games

The Grayling girls volleyball team maintained their second place standing in league competition by defeating Charlevoix Wednesday, February 1st, 2-15, 15-12, 15-7, and 15-4. The match was played in Charlevoix.

Deanna Phelps led the team with 20 of 20 serves. Patti Tremblay added 18 of 18, Sheryl Klinger 10 of 12, and Heather Stephenson served 9 of 10.

Coach Becky Brown praised Klinger's effort. "Klinger did an excellent job setting," said Brown. "She set 100% and had 64 sets." Coach Brown said that Klinger hustled all around the court.

Stephenson led the team with 8 blocks. Phelps had 4 and Klinger and Patti Tremblay added 2 each.

Tremblay was the team's defensive leader. She had four saves and was 97% on her passing. Stephenson, Cheryl Barber and Phelps contributed to the defensive effort.

Tremblay led the team's attack with 20 spikes and 8 tips. Stephenson followed with 10 spikes and 13 tips, Phelps 10 spikes and 4 tips, and Janice LaDuke had 9 spikes and 2 tips.

LaDuke has missed several practices because of the flu, and was challenged to come back against Charlevoix. Coach Brown credited LaDuke with not only playing well, but said that she was instrumental in leading an aggressive attack at the net.

During the first game Brown stated that the girls seemed out of sync with one another, and that they were trailing in the second game before the girls started pulling together, and became scrappy with

their defense. Brown said that once they gained control in the second game, they maintained control throughout the remaining games.

Charlevoix was physically a bigger team with two 5'11" players. Nikki Trenary, Grayling's only 5'10" player, has been unable to play because of a back injury.

"Size is a factor, but it is not a factor," said Brown, "because attitude also has a powerful affect." Brown stated that she would match Tremblay against opponents 5 or 6 inches taller than she is because Tremblay's aggressiveness would enable her to power through.

"Grayling has been

playing good volleyball for the past several weeks," said Brown, "but the best is yet to come for this team."

Grayling has a full schedule this week as the team travels to St. Ignace on Wednesday, February 8, plays host to Lake City on Thursday, and is on the road again on Saturday, February 11, to play Sault Ste. Marie.

Jannice LaDuke

Skiers Race To Keep 10th Rank in State

On Monday, Jan. 30th, the Viking skiers participated in what was being billed as the "Toughest Ski Meet in Michigan." The hills were awful at Sugar Loaf where the

Traverse City Invitational was held. After the snow stopped flying the teams from around the state were separated by fractions of seconds. The top boys team was

Traverse City followed by East Grand Rapids, Petoskey, Cadillac, Grayling, Harbor Springs, Charlevoix and Clare.

The top four boys for Grayling skied as well as they have all year and the best part is; one is a senior, Tim Hickey, one is a junior, John Jurkovich, and two are sophomores, Tony Diponio and Pete Oppermann.

Senior John Kraus and freshman Bob Kausma and Jon Renard complete the line up. "Our young racers were great. They were not intimidated by the tough hills or the competition," said Viking coach Mike Wieland.

Tim Hickey led the team placing 14th in

Slalom, and 11th in GS, out of the 54 racer field. Tony Diponio placed 22nd in Slalom and 24th in GS. John Jurkovich 28th in Slalom and 35th in GS. Pete Oppermann placed 35th in Slalom, and 29th in GS. Jon Renard placed 40th in both events, with Bob Jansma 44th in GS and John Kraus 45th in Slalom.

The Viking girls did not do as well as the boys. "Our girls are younger than our boys, we raced four freshmen, one sophomore, one junior, and one senior," said Wieland.

The top girl was once again senior Lori Gust, placing 24th in GS. Other skiers were Anne Petrosky placing 31st in Slalom, and 37th

in GS. Karen Febey 40th in Slalom and 34th in GS.

Tara Bertalan placed 44th in Slalom and 38th in GS. Jenni Lochner placed 36th in GS and disqualified in Slalom. Andrea Austin also raced placing 41st in GS and Angie Harland finished 48th in Slalom, out of the tough 54 racer field.

The Vikings raced at Sylvan Resort on Thursday, Feb. 2, and watched the Blue Devils take a double victory.

Grayling girls finished 3rd and the boys 2nd in the 3 team meet.

Boys scores were Gaylord 35, Grayling 57, and Bellaire 82.

The boys were led by Tim Hickey once again

with a 3rd in Slalom, and 2nd in GS. Tony Diponio was second on

the team placing 2nd in Slalom and 9th in GS. Pete Oppermann placed 14th in Slalom and 3rd in GS. Bob Jansma was 12th in both events. John Kraus placed 15th in both events, and Jon Renard disqualified in both races.

The girls meet was won by Gaylord 38, Bellaire 57, and Grayling 66.

The top skier was Lori Gust with 5th in both events. Anne Petrosky placed 6th and 8th. Karen Febey 11th and 6th, Tara Bertalan 14th in Slalom and 11th in GS. Jenni Lochner 15th and 12th, with Angie Harland, 16th and 15th out of the 18 racers.

A Tradition of... INPATIENT SERVICES

Mercy Health Services North

Mercy Hospitals in Cadillac and Grayling offer a variety of inpatient services to the individuals we serve. Our nursing staffs are highly trained in such fields as Orthopedics, Psychiatric Medicine, Obstetrics, Pediatrics, Oncology and Intensive Care for the critically ill. As a patient you learn more about your illness, the treatment you receive, and what to expect when you are discharged from the hospital.

"Caring," in the Mercy tradition, means providing to patients the most qualified health professionals available. Our technical excellence is complimented by a spirit of service that demonstrates respect for the dignity of each individual.

Get acquainted with the tradition of inpatient services at Mercy Hospitals in Northern Michigan. Call us today for our free brochure in Cadillac 616-779-7326, and in Grayling 517-348-5461, ext. 368.

SPORTS FANS!

I
Bet
You
Didn't
Know

Brought To You
By Tim Hart

One of the most inspiring stories in sports history is the true story of Glenn Cunningham...As a youngster, his legs were badly burned. He couldn't play with other children, so to strengthen his legs, he spent long hours trying to run by himself... Gradually, he ran more and more...and eventually he went on to become one of the greatest runners in the world, setting the world record for the mile in the 1930s...In trying to overcome a weakness, he became stronger than ever.

Did you know that Indiana basketball coach Bob Knight has the record for being the youngest head coach in the modern era of major college basketball...Knight got his first head coaching job in 1965, at Army, when he was only 24 years old to set the record.

What are the 3 longest winning streaks in major college basketball history?... First is UCLA's men's team winning 88 games in a row from 1971 to 1974...No. 2 is the University of San Francisco's men's team winning 66 in a row from 1955 to 1957...And No. 3 is Louisiana Tech's women's team winning 54 in a row from 1980 to 1982.

I bet you didn't know... that Tim Hart is waiting to give you the deal of a lifetime on a car or truck. It might be cold again but the deals are hot at Scheer Motors in Grayling!

SOLICITATION FOR OFFERS
SECTION A - GENERAL SPACE REQUIREMENTS
 The USDA-Soil Conservation Service (SCS) Grayling Area Office and Resource Conservation Development Office is interested in leasing space in the vicinity of Grayling, Michigan.
LOCATION: The space must be in an area bounded by 1500 miles within the radius of the city limits of Grayling.
 Offers are solicited under Section 502 (c) (1) of the Federal Property and Administrative Services Act of 1949 (43 Stat. 577), as amended, for the leasing of 2,000 net usable square feet of general office space, plus or minus five percent.
TYPE AND AMOUNT OF NET USABLE SPACE:
 A. First-class general office space is required. Space offered must be in a building that is of sound and substantial construction, and shall conform to the applicable building codes and shall be in conformity with the requirements set forth in the solicitation.
 B. Offers are solicited for a minimum of 1900 square feet to a maximum of 2100 square feet net usable (see Section D) for definition square feet of net usable office space.
TERM OF LEASE:
 The lease term is for five years firm term with the following renewal options: to be renewed from year to year hereafter until 1998. The lease may be renewed at the option of SCS upon written notice to the lessor at least thirty days before the end of the initial lease term or any renewal term. SCS may terminate the lease after the initial term or, sixty days written notice to the lessor.
OFFER ACCEPTANCE PERIOD: Offers are due March 13, 1989, and must remain open until October 1, 1989. Occupancy is required by October 1, 1989. There will be no public opening of offers, and all offers will be confidential until the lease award.
 Questions on this solicitation should be referred to Keith R. Martell, Area Conservationist, USDA, Soil Conservation Service, 103 James Street, Grayling, MI 49738. Telephone 517-348-8828.

GRAYLING'S NEWEST BUSINESS --Roger Bailey, District Supervisor, William Holborn, Manager; and Carl Harmon, District Supervisor, were on hand to welcome all customers at the Drake's Union 76 Convenience.

Drake's Convenience Store Opens on Business Loop

Drake's Refinery Union 76, a convenience store, gasoline and diesel fuel facility, opened for business on Friday, February 3. The new convenience store is located on the I-75 business loop, next to Hardee's.

The Grayling Drake's Union 76 is owned by Michael P. Drake, and is one of 18 fuel outlets operated by Drake's in central Michigan.

Drake's Refinery Union 76 is open 24 hours a day, year-round, and offers a hot food counter, snack and grocery items, as well as 3 grades of gasoline, diesel fuel and kerosene.

William Holborn, a 13 year resident of Crawford County, is the manager of the Grayling Drake's. Holborn has experience in hotel and restaurant management, and worked 10 years as a Unit Administrator at Camp Grayling.

The location of Drake's Refinery Union 76 offers quick service with all the latest electronic equipment. The new facility was designed to serve the food and fuel needs of the residents of Crawford County as well as travelers to the area. The customer is always under the canopy.

Future plans include a possible car wash at the Grayling location, with four other fuel outlets opening in 1989.

Grayling Township Notice

PROPOSED IMPROVEMENTS TO EVERGREEN DRIVE OFF STEPHAN BRIDGE ROAD
 Sec. 5, T28N, R3W.

The Grayling Township Board has received a petition requesting certain improvements (blacktopping) to Evergreen Drive which runs east off Stephan Bridge Road north of the AuSable River in Sec. 5, T28N, R3W.

On February 14, 1989, at 7:00 p.m. in the Grayling Township Office, 6538 W. M-78, a public hearing will be held to receive and review public opinion regarding approval of the proposed Special Assessment Roll to spread the cost of the blacktopping among property owners fronting on Evergreen Drive or using same for access.

Plans for this improvement project are presently on file at Grayling Township and can be viewed during regular office hours.

Correspondence concerning the project may be directed to: Grayling Township, P.O. Box 551, Grayling, MI 49738. Telephone: (517) 348-4981.

Monica S. Ashton, CMC
 Grayling Township Clerk

District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Melvyn D. Aguilon, 50, of Grayling, plead guilty to a charge of Grayling City Ordinance No. 4 - Disorderly person. He was fined \$105 or 10 days. He was cited by the city police on 12-26-88.

Jack W. Sieloff, 47, of Grayling, plead guilty to a charge of disorderly person by intoxicants - likely to endanger others. He was fined \$155 or 14 days. He was cited by the city police on 1-16-89.

Daniel L. Williams, 32, of Kincheloe, demanded a preliminary examination to a charge of escaping prison. No bond - defendant is being held by Department of Corrections. He was cited by Camp Lehman on 10-7-88.

Mary K. Cold, 42, of Flint, demanded preliminary examination to a charge of possession of controlled substance less than 25 grams. Bond was \$1,000 cash or surety. She was cited 1-14-89 following a citizen/state police complaint.

Rodney Gipson, 32, of Ionia, demanded preliminary examination to a charge of escape from prison. No bond - defendant is being held by Department of Corrections.

Michael B. Brady, 61, of Grayling, plead guilty to a charge of impaired driving. He was fined \$355 or 30 days, license suspended 90 days, and restricted license for work. He was cited by the sheriff dept. on 4-15-88.

Michele L. Bergan, 27, of Grayling, plead guilty to a charge of attempt resist and obstruct. On motion of prosecuting attorney, original charge of resist and obstruct amended as above. She was fined \$205 or 30 days, and 1 year probation. She was cited by the sheriff dept. on 10-5-88.

Wayne M. Hayes, 41, of Grayling, plead guilty to a charge of O.U.I.L. He was fined \$405 or 30 days, and license suspended 6 months. He was cited by the city police on 7-5-88.

Robert P. Dudash, 44, of Warren, plead guilty to a charge of O.U.I.L. He was fined \$405 or 30 days, license suspended 12 months, and restricted license for work - school. He was cited by the sheriff dept. on 6-12-88.

Mark P. Meyer, 28, of Saginaw, plead guilty to a charge of malicious use of a telephonic device. On motion of prosecuting attorney, original charges of obstruction of justice (2 counts) dismissed upon above plea. He was fined \$405 or 60 days, and 1 year probation. He was cited 7-29-87 following a citizen complaint.

OIL AND GAS LEASE SALE

MARCH 6, 1989

Oil and gas lease rights in approximately 61,000 acres of State-owned minerals in the following Michigan counties will be offered at an oral-bid auction: Alpena, Antrim, Benzie, Cheboygan, Clare, Crawford, Gladwin, Grand Traverse, Isabella, Kalamazoo, Lake, Mecosta, Midland, Missaukee, Montcalm, Muskegon, Oshtemo, Ogemaw, Oscoda, Otsego, Presque Isle, Roscommon, and Tuscola.

Conditions of lease sale offering:

REGISTRATION OF BIDDERS will be held from 8:00 a.m. to 9:00 a.m. on March 6, 1989 at the Lansing Center, 333 E. Michigan Avenue, Lansing, Michigan.

OFFERING OF LEASE RIGHTS will begin at 9:00 a.m. on March 6, 1989 at the Lansing Center (address above) and will continue until all descriptions have been offered.

Bids may be submitted by individuals of legal age, a partnership or corporation or other legal entity qualified to do business in Michigan. Prospective bidders should be prepared to submit such proof at the time of registration.

THE TOTAL BONUS BID MUST BE PAID ON THE SAME DAY THE LEASE RIGHTS ARE BID IN. Prospective bidders who do not have an established credit rating with the Department of Natural Resources through prior leasing of State-owned minerals must pay at least one-half of the TOTAL bonus bid by cash, certified check, cashier's check or money order. A credit rating may be established by filing with the Real Estate Division three letters of reference, one of which must be from a bank.

Successful bidders must be prepared to file with the Real Estate Division a commercial surety lease performance bond, the amount of which will be determined by the total number of acres bid in. Successful bidders will be notified of the amount of bond required.

Specific descriptions and further particulars available upon request.

Good News . . . From the Crawford AnSable School Board

Educators and parents work towards the development and education of their children — the future. We have report cards and tests to evaluate the progress of education, however, it is difficult to evaluate the other aspects of a child's development. Behavior, manners and courtesy paid to other people are not measured by the standard type report card. Fortunately, someone takes the time to let us know how neat our kids really are.

Several months ago the principal of the high school received a letter from the owners of Personalized Fashions. The local business rents tuxedos and they wanted to share their pleasure at being able to serve the exceptionally well behaved young men and women of our school district. They have had the opportunity to provide services to other communities and our students deserved all A+'s. They were polite, patient and returned the merchandise in unusually good condition, on hangers and in plastic bags, not rolled up and drastically soiled. What a compliment!

The families of these young people should be very proud of their sons and daughters. Board, staff and administrators are also proud of them. They are doing business in the community because of a school function and therefore, are viewed as representatives of the schools. The training and guidance that begins at home is reinforced in many ways at school. Proper respect and care of books, uniforms and school property, as well as courtesy and consideration towards peers and teachers is an important part of a student's educational development.

Involvement of service groups and businesses with young people add to their learning experiences. Interviewing for scholarships, making presentations and serving as volunteers working with adults are necessary for the development of young adults.

This compliment paid to our young people is just one of many fine examples of the success of a partnership of parents, community and schools. Remember, to tell that guy or gal how great they are!

Community School Office Open

The Community School Office will be open from 5:30-10:00 p.m. Monday through Thursday at the Grayling High School. Anyone interested in contacting the Community School Office concerning programs related to Adult Basic Education, high school completion, or Adult Enrichment classes may call 348-7641. New Adult Enrichment classes will begin March 3.

In Memory

In memory of Melvin G. Vallad, who died Feb. 12, 1988. "And time may pass but can not fade the memories of the love you gave."

Your wife, Marjorie and daughters, Jean Anderson and family, Betty St. John and family.

Certified Optician

VISION AND THE COMPUTER OPERATOR

QUESTION: Can the use of a Computer Terminal cause eye strain?

ANSWER: Activities such as constant reading of a Computer Terminal can cause some vision related problems. Common complaints include, headaches, eye fatigue, blurred vision and double vision to name just a few. Certain precautions can be taken to help. The operator should position the screen so that light is not directing glare upon it. The unit itself should be at a comfortable working distance and correct angle. A 15 minute alternate task break after every hour is recommended for those operators under high visual demand. Fortunately, problems caused by Computer use can be eliminated or significantly reduced by a combination of workplace environmental controls and professional optometric care.

Bits of Talk

Doris Souders has returned to her home after spending since Christmas with her son, Dick Souders, and family near Houston, Texas. Doris traveled by Amtrak and was met in Jackson by grandson, Gary Taylor of Mt. Pleasant. She spent a day there before returning to Grayling.

Michelle Buron, daughter of Pat and Cherie Buron of Traverse City, and granddaughter of Ann Buron and the late Tony Buron, left Monday for Zurich, Switzerland.

She is participating in the development of the US Ski Team and will be skiing in Austria and Switzerland. She graduated from high school last June and has been in Colorado and Utah skiing and competing in ski meets with college students from several states. She has been awarded a skiing scholarship to the University of Alaska and was the only one from Michigan to travel to Europe to participate.

Tim Buron of Healy and Ward Buron and son, Michael of North Pole, Alaska, spent some time with their parents, Ann and Tony Buron. They came because of the critical illness of their father. Also visiting were Julie Buron and daughter, Jorlane, of Tampa, and Tony's sister, Mrs. Ann McKay of Clearwater, Florida. All of them returned to their homes but Julie and her family will return for Tony's memorial service on Saturday, February 11, at 12:30 p.m. at St. Mary's Church, Grayling.

Mr. and Mrs. Charles Fick just returned from visiting their son, Scott, and his family, Therese, Tyler, and Alexandra in Richmond, Virginia. Little "Allie" arrived Jan. 3rd and weighed 7 lbs. 13 oz. Scott is employed as officer manager for Miller Oil at their Richmond location.

Vanessa Ann Vogel, nine and one-half month old daughter of David and Heidi Vogel, was baptized on January 29, 1989, at St. Francis Episcopal Church. The baptism took place at the regular Sunday service and Rev. Derik Roy officiated. Godparents were Heidi's father and his wife, Alf and Carol Svensen of Oslo, Norway. Following the service, the Vogels, which include three and one-half year old Andrea, hosted a family gathering and luncheon at their home on Park Street. The Svensens spent a week in Grayling with their daughters and are now in California visiting family and friends. After spending three weeks in the states they will return to Norway but have decided to return to the Traverse City area to make their home.

Peter Stephan is home again from Northern Michigan Hospitals.

LeRoy "Snooks" Akers was hospitalized for several days at Mercy Hospital, Grayling.

Bryan and Patty Stephan of Texas are spending a couple of days skiing at Colorado Springs and a couple of days at Frisco, Colorado.

Congratulations to Bonnie Strohpaul and Mike Shearer on their engagement!

David Stephan, son of Lacey and Carol Stephan, has completed his training at Ft. Campbell, Kentucky, and is now qualified to drive Army vehicles.

Bob and Fay Bovee attended the Kiwanis of Michigan Foundation meeting at C.S. Mott Hospital in Ann Arbor on Sunday, January 29.

A big Thank You to the Grayling Boosters Club for their generous donation of \$1000 to the Crawford County Historical Museum. Approximately 1000 children went through the museum during the 1988 season. Children are free so the Boosters Club has paid for their admissions.

Over 100 people admired museum exhibits during the Winter Carnival weekend.

Birth Announced

David and Grace White, of Grayling are pleased to announce the arrival of a daughter, Samantha Lynn, on January 30th, 1989, born at Munson Medical Center, weighing 6 lbs. 1 oz.

Grandparents are Joe and Barb White of Grayling, and Kathy White of Denver, Dee Hammons of Grayling and Jon Hammons of Lake Side, Arizona. Brothers are John Vicens of Grayling, and Danny Vicens of Odessa, Texas.

This is the only winter weekend that the Museum is open. Groups may go through by special arrangements — call Marle Akers, 348-7558.

Bryan Stephan has graduated from Eastfield Community College in Mesquite, Texas, with an Associate Degree in Applied Arts and Science in Drafting and Design Technology. Bryan is the son of Peter and Gloria Stephan and the husband of Patty Hill. Bryan and Patty live in Garland, Texas. He is now employed by Texas Instruments where Patty has also been employed for some time.

Melanie Quinn, daughter of Linda Stephens has passed her State Cosmetology Boards and is now employed in Plymouth, Michigan.

The Bible Speaks

From Calvary Baptist Church

The Gospel of John

Part #64

Shadow of the Cross
With His crucifixion only days away, Jesus Christ gives us insight into His view under the shadow of the cross. We shall look at the perplexity, purpose, and provision of the cross of Christ in John 12:27-33.

As perfect God/man, Jesus Christ faced the perplexity of dying on the cross for our sins. "Now is my soul troubled; and what shall I say? Father, save me from this hour: but for this cause came I unto this hour." (John 12:27). As the sinless, holy Son of man, He faced the burden of all our sins and guilt, and the eternal punishment due them. He faced the wrath and judgment of God the Father, and the temporary separation from the Father this work required. His choice was eternal. "...for this cause came I unto this hour."

The purpose of the cross was first to glorify God. "Father, glorify thy name. Then came there a voice from heaven, saying, I have both glorified it, and will glorify it again." (John 12:28). Three times God the Father spoke from Heaven to attest the ministry of Jesus Christ; all three times referred to His coming sacrificial death. The crowd responded then the same as they do to God's voice today. "The people therefore, that stood by, and heard it, said that it thundered: others said, An angel spake to him." (John 12:29). People still give naturalistic explanations and mystical explanations to God's revelation, rather than hearing and believing it. Jesus reminded the crowd that the Father spoke for their sakes, not His, yet many did not listen. (John 12:30).

The provision of the cross is listed as three-fold: Judgment upon the unbelieving world, casting out of Satan, and salvation of sinners. (John 12:31-33). "Now is the judgment of this world..." (John 12:31a). Read John 3:17-21 to see why the world is condemned by the cross. The condemnation of the light of Jesus Christ revealed to them. "...Now shall the prince of this world be cast out." (John 12:31b). Satan's doom was sealed by Jesus Christ on the cross.

The salvation of sinners is the third provision of the cross. "And I, if I be lifted up from the earth, shall draw all men unto me. This he said, signifying what death he should die." (John 12:32). The crucifixion of Jesus Christ reminds us of God's holiness and righteousness in putting away sin by the sacrifice of His only begotten Son. It reminds us of our sin and guilt. It reminds us of God's love, grace and mercy toward us drawing us to faith. (Hear "The Bible Speaks" at 12:15 p.m. Tuesday on WQON 100 FM).

Road Commission Minutes

January 6, 1989

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Gloria Kraus, Commissioners Norman Parker and Clyde Anthony, Engineer-Manager John Keir and Accounting Clerk Joanne Thompson.

The minutes of the previous meeting of December 22, 1988 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Anthony. All voted in favor, minutes approved.

Payroll Voucher Number 27 in the amount of \$28,381.80 and Materials checks numbered 14502 through 14540 in the amount of \$9,887.37 were presented to the Board for approval of payment. Commissioner Parker made a motion to accept the vouchers, seconded by Commissioner Anthony.

A motion was made by Chairman Kraus and supported by Commissioner Anthony to elect Commissioner Parker as Chairman of the Board for the 1989 year. Commissioner Parker made a motion to elect Chairman Kraus, supported by Commissioner Anthony, as Vice-Chairman for 1989. All voted in favor, all motions stand.

Permits reviewed and signed were Top O Michigan to conduct an aerial crossing on County Road 612 in Lovells Township and Consumers Power Company to install poles along West Seven Mile in Beaver Creek Township. Two permits from Shell Western to widen a road in Lovells Township and Camp Lehman for use of the right-of-way on Batterson Road were denied.

David Sabin, Attorney for the Road Commission, appeared before the Board.

Chairman Parker signed a contract with Robertson & Carpenter, CPA, to conduct the 1988 Financial Audit and Act 51 Report.

Engineer-Manager Keir informed the Board of the County Road Association Conference in Lansing this March. The Board authorized Engineer-Manager Keir to purchase a left handed plow.

The Board reviewed employment applications. Discussion was held on 1989 local road projects.

Engineer-Manager Keir also informed the Board that the Michigan Department of Transportation has instructed us to remove all dumpsters in the Rest Areas. Mr. Keir reported to the Board that this new practice is creating problems even though it is posted, by law, at the Rest Areas.

There being no further business before the Board a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

Crawford County Clerk

CHURCH DIRECTORY

MAN OF FAITH

When Abraham Lincoln sat quietly reading a book, it's doubtful that he ever imagined that one day his giant, brooding statue would be a national landmark, and that he would be known throughout the world.

Basically, Lincoln was a simple man, his nature was essentially rugged and rustic as the log cabin in which he was born. His life, from beginning to end, was a hard one, physically, mentally, and spiritually. Yet, throughout the terrible trial, he never lost his faith in God.

Lincoln wasn't "born religious." Faith came to him the hard way, just as everything else did. But once he had found it, his devotion knew no limit. Most of the great men in our country's history have been devoted. Why? Because experience has shown them that no man can go it alone. That we, all of us, need God's guidance.

The place to seek that guidance is in the church or synagogue of your choice.

Thank You

A special thank you to all my many friends, co-workers, and relatives who took the time to send me get-well cards, and prayers during my recent illness.

A special thanks to Dr. George, Mercy E.R. crew, and C.C.U. crew who provided much needed support before and during my transport to Petoskey.

To all who sent cards, flowers, other gifts, and well wishes during my stay, your wonderful uplift was sustaining to the spirit. Until I can thank each and everyone in person, I hope you will accept this substitute. Thank you, each and everyone.

Obituaries

Henry Davenport

Henry Maxwell Davenport, age 76, of 823 Heron Rd., Cocoa, Florida, died January 28th, 1989 at his residence.

After graduating from Michigan State College as a forester, he worked for the Civilian Conservation Corps then joined the Michigan Conservation Dept. He later became a City Manager in Grayling, Marysville, Cadillac, Belding and Zilwaukee in Michigan. Member of Elks Lodge, Lions Club, Kiwanis in Cadillac, MI, member of Assn. Professional Foresters in Cadillac. He was a former vice-president of the Michigan Municipal League.

Survivors include, wife, Ina Rowena Davenport of Cocoa, Florida; sons, Theodore G. Davenport of Clarkston, Michigan, Gary D. Davenport of Marion, Michigan, and Bruce M. Davenport of Clio, Michigan; daughter, Gayle E. McArty of Kent City, MI; stepsons, Larry Trobridge of Midland, MI and Dr. William Trobridge of Caledonia, MI; stepdaughter, Mrs. Barbara Brown of Tacoma, Washington; brothers, Don Davenport of Lake City, Jay Davenport of Lake City, and Keith Davenport of Lake City; sisters, Audrey Paxton of Bluffton, Ind. and Betty Beebe of Charleston, South Carolina; 15 grandchildren, and 17 great grandchildren.

Arrangements were handled by Wylie-Baxley Rockledge Funeral Home in Rockledge, Florida.

Frank Brousseau
Frank Brousseau, 94, of Ossineke, died Saturday, Jan. 14 in Alpena.

He was born March 6, 1894, in Ossineke and married Gladys Burns in 1916. She preceded him in death in 1967. He later married Polly Ireland June 18, 1977.

Mr. Brousseau retired as superintendent of maintenance from D&M Railroad, where he had been employed for 47 years.

Survivors include his wife; two sons, Gaylord of Ossineke and Frank Jr. of Durand; a daughter, Phyllis (Mrs. Arthur) Tessmer of Davison; two stepdaughters, Mickey (Mrs. Robert) Strong of Alpena and Carol (Mrs. Richard) Klein of New York; 23 grandchildren; 35 great-grandchildren; and several nieces and nephews. He was preceded in death by two sons, Leon and Maurice, and five brothers and five sisters.

Interment was at St. Catherine Church Cemetery.

Roselee Leal
Roselee Carol 'Pinkey' Leal, age 47, of California, died Saturday, January 21, 1989, after a long battle with cancer.

She and her family resided in Grayling from 1981-1985.

Pinkey was preceded in death by her father, Robert Hickey, Sr. in 1987 and her sister, Roberta Ann Smith in 1980.

Survivors include her husband, Robert, daughters, Danie of Grayling, Shelley, a student at CMU, Mt. Pleasant, MI., Kelly, of San Clemente, CA, and son, Steven, also of San Clemente, CA, three grandchildren, mother, Roberta Hickey, El Toro, CA., and nine sisters and six brothers.

A memoria service was held Jan. 25, 1989 at Santiago De Compostela Church.

Road Commission Minutes

December 22, 1988

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Gloria Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir, Accounting Clerk Joanne Thompson, Clyde Anthony, Don Geiss and Herb Bachelor from Hyde Equipment Company.

The minutes of the previous meeting of December 9th and 16, 1988 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Chairman Kraus. All voted in favor, minutes approved.

Payroll Voucher Number 26 in the amount of \$26,153.92 and Material checks numbered 14464 through 14501 in the amount of \$25,515.20 were presented to the Board for approval of payment. Chairman Kraus made a motion to accept the vouchers, seconded by Commissioner Cason.

Bids were opened at this time for underbody scrapers and spreader type boxes. The results are as follows:

	Underbody Scrapers	Spreader Boxes
Hyde Equipment	\$18,494.00	\$15,686.00
Miller Equipment		16,500.00

The Board awarded the underbody scraper bid to Hyde Equipment and will make a decision at a later date on the spreader boxes.

Correspondence was received and reviewed from Department of Treasury, Grayling Township, County Road Association of Michigan and Gateway Systems.

Commissioner Parker submitted the following Resolution, seconded by Commissioners Cason and Parker, as follows:

WHEREAS, As specified in Act 51 of Public Acts of 1961 as amended and supplemented the Board of County Road Commissioners can transfer 30% of their funds between systems by resolution.

THEREFORE, BE IT RESOLVED THAT 30% be transferred from the County Road Commission Primary Road Fund to the Local Road Fund.

YEAS: Kraus, Parker, Cason
NAYS: None
Resolution adopted.

The 1989 budget and the revised 1988 Budget were reviewed and approved.

Discussion was held on a dangerous intersection and guard-rail shall be installed as soon as possible.

Chairman Kraus offered the following Resolution and moved for its adoption.

BE IT RESOLVED THAT the County Trunkline Maintenance Contract between the Michigan Department of Transportation and the County of Crawford for the period January 1, 1989 to December 31, 1989, is hereby accepted and John M. Keir is designated as Maintenance Superintendent on sections of State Trunkline Highways as shown on the County Route Section Map and Budget Sheets.

The following County officials Gloria Kraus, Chairman, and Norman Parker, Vice Chairman, are authorized to sign the said maintenance contract.

Supported by Commissioner Cason.
Adopted: Yeas: Kraus, Parker, Cason
Nays: None

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

Joanne Thompson Accounting Clerk Norman F. Parker Chairman

City Council Proceedings

January 9, 1989

Regular meeting of the City Council held January 9, 1989.

Meeting called to order by Mayor Golick at 7:30 p.m.

Members present: Golick, Latuszek, Thompson, Sloan, White.

Members absent: None.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Edward Moilanen, James Berglund, A. Donald Sorenson, Roy Knight Jr., Jamie Henry.

Moved by Sloan, supported by White that the minutes of the meeting of December 27, 1988 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak. None.

Communications were received and noted.

From C.C.T.A. re: Meeting Minutes of 12-21-88.

From City Manager re: Winter Carnival Schedule.

From Police Chief re: Unclaimed Bicycle List. The City Manager requested direction from Council on how to handle these kinds of items. Council indicated that sealed bids would be appropriate. The City Manager will discuss this with the Police Chief and proceed as time is available.

From Fire Chief re: Monthly Department Report.

Old Business.

The City Manager reminded Council of a Zoning Seminar to be held in Clare on January 18, 1989 and asked for Council to reaffirm attendance at same. Councilmember Latuszek noted she would be unable to attend. All other Councilmembers are scheduled to attend.

Mr. Morford presented Council with a proposed motion to terminate the City's participation in the Crawford County Transit Authority effective September 30, 1989. There was general discussion of the proposal.

Moved by Latuszek, supported by White that the City of Grayling hereby notifies the County of Crawford and Township of Grayling that the City has decided to withdraw from membership in the Crawford County Transit Authority effective at the end of the current Fiscal Year of said Authority (September 30, 1989) as provided in Section 14 of the Interlocal Agreement to establish said Authority. The City will honor all financial obligations thru the end of said Fiscal Year based on budgets adopted while city representatives were still acting on the Board. It is understood that the City Representative will cease to be a member of the board effective with the delivery of a certified copy of this resolution and the end of the Fiscal Year in question and that the size of the Board of Directors will be reduced automatically to reflect such resignation.

Ayes: 5, Nays: 0, Absent: 0, motion carried.

The City Manager presented his recommendation regarding additional space requests by the present city hall building tenants. He recommended that the S.C.S. lease be cancelled not later than September 30, 1989 and that the resulting open space be leased to the Michigan State Police Forensic Laboratory. Council discussed the recommendation in detail. Members of Council were not in favor of building additional space.

Moved by Thompson, supported by Sloan that the procedure outlined in the City Manager's recommendation be approved as presented (See Attachment A).

Ayes: 5, Nays: 0, Absent: 0, motion carried.

New Business.

A request from Kirtland College for summer collection of their tax levy was presented to Council. After discussion the following was proposed.

Moved by Golick, supported by Latuszek that the City of Grayling agrees to collect 100% of the Kirtland College tax levy for 1989 and subsequent years in conjunction with its own July 1st levy each year. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of City Manager. Mr. Morford reported on the following:

News article reference the National Guard.

Mayor Exchange Day.

County Recreation Plan.

Preliminary Plans for Michigan Avenue.

Lagoon Status.

Booster Club project at School Football Field will be on next agenda.

C.S.I.P. Meeting January 10, 1989.

Reports of Council Members.

Ms. Latuszek asked about information for the salary schedule for the 1989-90 Budget.

Mr. Sloan asked about the balance of streets to be paved before Michigan Avenue.

Mr. Thompson asked about a replacement for the retiring City Treasurer.

Adjournment.

Moved by Golick, supported by White that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 8:10 p.m.

Doodles from the Tall Timber

By Wendell L. Hoover
Hartwick Pines Interpreter

With the possibility of some long overdue improvements slated in the near future for the park, there has been more than a casual interest in the Park's past history. I would suspect you may also be interested and with that in mind, the articles which follow will delve into the history of the park in more detail.

Pre-park history in most cases is the most difficult as the members of the Algonquin Linguistic Family left little in the way of written history. We know that the Ottawa, Ojibwa or Chippewa, Menominee, Potawatomi, Mascouten and Miami were at various times residents of the area. Their numbers in this area were not great and the following factors support that fact. The soil of the area is generally sandy making it non-productive for man

and animals alike. Those areas in the county that did have reasonably fertile soil were cloaked in forest and the other areas supported heavy forests of pine and hemlock. In addition, the rivers were too swift and the lakes too pebbly for much growth of wild rice.

There was no doubt seasonal occupation of the land and some evidence can be found to prove this fact. However the following taken from Stan Berri-man's book, "Upper Tittabawassee River Boom Towns", provides a better insight into food needs of a band of Indians. A band of 28 adults and 22 children could subsist five days on one moose; four days on one elk; two days on one bear; one day on two deer and one day on forty rabbits. For

such a band to live entirely on fish they would require 234 pounds of dressed fish a day and to subsist on vegetal food, they would need some 75 to 100 pounds of prepared food each day.

The County did have one feature that no doubt brought the Indians through the area. The AuSable and Manistee rivers come close together and with Portage Lake (now Lake Margrethe), and Portage Creek the distance that a canoe would have to be carried shrank to something like two miles. This river highway between Lakes Huron and Michigan may not have been a major one, but that it was used is reflected in the names of the above lake and creek.

Next week, some information on the fur trade, very early logging and perhaps farming.

Resource Review

By Bruce Patrick
Conservation Officer

Although most people have never seen a ferret, they have a basic understanding of how this member of the weasel family finds its prey. The phrase "to ferret out", as it is used in cheap novels to describe a detective's effort to get at the facts of a case, comes from the way this animal tirelessly searches every nook and cranny of a rodent burrow looking for a meal. The Black Footed Ferret, which is the only native North American ferret, is found in the prairie dog towns of the Western Plains. One of our most endangered species, the Black Footed Ferret has declined as man's attempt to eradicate the prairie dog through use of poison has progressed.

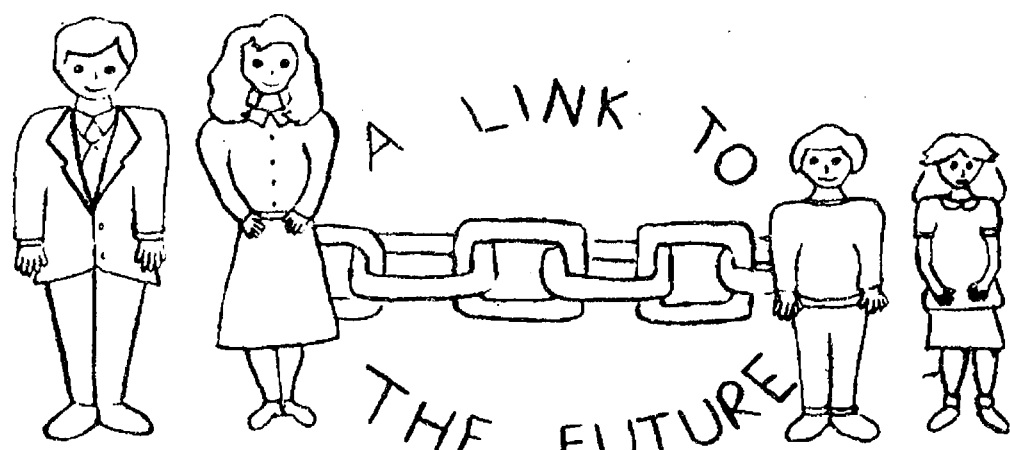

Of more immediate concern to people in Michigan is the Old World ferret, or fitchew. This animal has been domesticated and used for the purpose of hunting hares and rabbits by driving them from their burrows.

This method of taking rabbits is so effective that it is unlawful in Michigan. In fact, the mere possession of a ferret, even as a pet, is unlawful without a permit. Act 277 of 1927 makes it unlawful to have a ferret or fitchew in possession at any time. The only exceptions to this prohibition are persons who can show they are suffering damage from rabbits or rats and need the ferret to control these animals, and "professional rat

catchers" who will use a ferret only to catch or kill rats.

Most people are unaware of this law and many more ignore it. Anyone who possesses, sells or furnishes a ferret is guilty of a misdemeanor and may be fined not less than \$ nor more than \$25 dollars plus court costs, or imprisonment for not less than 10 days nor more than 20 days, or both. In addition, there is liquidated damages of \$500 for each rabbit unlawfully taken by use of a ferret or fitchew.

Although some people say they make good pets, ferrets are basically wild animals and can become extremely vicious. Not only is possession of one unlawful, it is not very smart.

Presented by the
GHS Counseling Office

If a Senior needs a 7th semester transcript sent to a college, see Mr. Klinger. Grayling Business and Professional Women's Club is sponsoring a career shadowing day for Junior and Senior girls. Pick up an application from Mr. Klinger.

Report cards were mailed last week with grades completing the first semester.

OPEN HOUSES

Lake Superior State University is having a program at the Gaylord Holiday Inn on Thursday, March 2nd at 7:30 p.m. Meet with faculty, students and alumni. Call the Counseling office for more information.

Northern Michigan University is once again hosting a series of Open House Programs in February. On Monday, February 13th, the Holiday Inn of Traverse City will be hosting an Open House for new students.

FINANCIAL AID

Financial Aid forms are available in the Counseling Office. If you are seeking financial aid, you should mail in a form as soon as possible.

A reminder to students who qualified for the State of Michigan Competitive Scholarship Program must have financial aid forms mailed by

February 15th.

SCHOLARSHIPS

Central Michigan University is offering a Special Talent Scholarship in Theatre and Interpretation for Fall of 1989.

Ferris State University is offering an Honors Scholarship for students with a 3.25 G.P.A. and have taken the ACT Test.

The American Legion Auxiliary is offering several scholarships to students of veterans who served in the Armed Forces.

Saginaw Valley State University is offering several "no need" scholarships for entering freshmen.

University of Michigan is offering a scholarship program for freshmen who enroll in science and engineering programs.

Michigan Business School Association is offering a scholarship based on academic achievement.

Wayne State University is offering Merit Scholarship for incoming freshmen. For more information and/or applications for any of the above scholarships, see Mr. Klinger in the Counseling Office.

TESTING

Kirtland Community College is having Pre-Entrance Exams for students interested in Practical Nursing. See Mr. Klinger for more information.

Your Week Ahead Horoscope

Forecast Period: 2/12 - 2/18/89

ARIES
Mar. 21-Apr. 19

Increased responsibilities in your professional affairs bring you in contact with some influential people. Your future looks rosy.

TAURUS
Apr. 20-May 20

Obstacles are swept aside, making it possible for you to achieve your goal in an intellectual or cultural pursuit.

GEMINI
May 21-June 20

Much time is consumed in group or partnership matters. Taxes and insurance records should be reviewed and revised.

CANCER
June 21-July 22

An enduring relationship between you and a partner is strengthened as you are faced with difficult decisions.

LEO
July 23-Aug. 22

Good organization makes for a lighter work load. Sensible diet and exercise patterns are very important for your well-being.

VIRGO
Aug. 23-Sept. 22

Romance could come in the form of a surprise encounter with an acquaintance from the past.

LIBRA
Sept. 23-Oct. 22

Domestic affairs may seem burdensome. Keep yourself occupied in things that give you pleasure. Join in activities.

SCORPIO
Oct. 23-Nov. 21

Your powers of mental concentration are keen. Structured intellectual pursuits are favored. Astrological studies bring new insight.

SAGITTARIUS
Nov. 22-Dec. 21

Limitations in financial dealings can be frustrating. You will really earn your rewards. Your sense of values is enhanced.

CAPRICORN
Dec. 22-Jan. 19

Cooperation from associates is hard to come by. Concern for the feelings and needs of others is brought home to you.

AQUARIUS
Jan. 20-Feb. 18

The power in the unconscious mind begins to surface. Realization brings an inner peace. Intuitive faculties are in play.

PISCES
Feb. 19-Mar. 20

You may be called on for advice in organizational activities. Rely on your inner awareness of universal law and principles.

Poet's Corner

The Prodigal Son

*It was a bright and sunny day,
When the circus came to town
Crowds walked along the midway.
And Manny, the sad faced clown.*

*Perched on his head, a shabby cap,
His worn out shoes with soles aflap
He stopped to tie his old shoe lace,
Then tripped and fell upon his face.*

*The happy children in the stands,
Waved at him and clapped their hands
He waved back and rubbed his ear,
As down his face there ran a tear.*

*His wife, now dead a year today,
His teenage son had run away
He loved his son so very well,
And couldn't stop the tears that fell.*

*Suddenly, as the crowd looked down,
A young man limped up to the clown
As he knelt down, they heard him say,
"Forgive me, Dad I'm home to stay."*

*The band struck up a lilting song,
While the crowd cheered and sang along
It was a happy time for Manny the clown,
That day the circus came to town.*

Verse or Worse

By Joseph D. Murphy

Coffee and Pie

*When I get those afternoon hungeries
That seem to set my world away
I head for the Grayling Restaurant
And a piece of their great pie.*

*Apple, cherry, lemon and pumpkin
May be others I've yet to try
Taste like those Mother used to make
And Mother could really make a pie.*

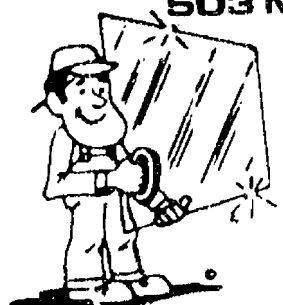

*The waitresses are polite and friendly
Never let your coffee cup run dry
You are treated with friendly smiles
To go along with their great pie.*

*If you suffer with afternoon hungeries
Why not give them a try
I'm sure you will enjoy it
Stop in for coffee and pie.*

IT'S GOOD TO HAVE A CHOICE . . .

IT'S GREAT TO MAKE THE RIGHT ONE.

Buying title insurance is definitely the right choice when it comes to protecting your real estate investment. Buying a home is a serious investment and is not a decision that is made in haste. Just as you protect your possessions by buying homeowners or car insurance, title insurance will protect your rights to own and use your property. After all, what you buy is not the land, but the title to it.
